

Turn your day ahhh...round!

The **STAR** of the Hot Tub Industry

- ② **Simple...** Nordic Hot Tubs are simple to use and operate. Not a lot of bells and whistles, simply great quality.
- ② **Therapeutic...** Nordic Hot Tubs have DTS™ (Dual Therapy Systems) with direct pressure massage and whirlpool therapy in EVERY tub for the ultimate hot water experience.
- ② **Affordable...** Nordic Hot Tubs are offered in 5 series so you can find the perfect hot tub at the right price making us your Perfectly Affordable Luxury!
- ② **Reliable...** Nordic Hot Tubs have an industry leading warranty. We use top quality components and we stand behind every Nordic Hot Tub.

Industry Leading Warranties

LIFETIME SHELL LIMITED WARRANTY

We warrant against the loss of water through the shell caused by defect in materials and workmanship for the lifetime of the original purchaser or as long as the original purchaser owns the hot tub.

THREE YEAR COMPONENT LIMITED WARRANTY

We warrant the electrical components, pumps, air valves, slice valves, and hot tub components against malfunction, leaking or defects in materials or workmanship for a period of three years from the original date of purchase.

FIVE YEAR HEATER LIMITED WARRANTY

We warrant the heating element of the hot tub to be free of defects in materials and workmanship for a period of five years from the original date of purchase.

THREE YEAR NO LEAK LIMITED WARRANTY

We warrant the hot tub to not leak for a period of three years from the original date of purchase.

TEN YEAR PERMA-WOOD CABINET LIMITED WARRANTY

We warrant the PermaWood cabinet material to be free from defects in material and workmanship for a period of ten years from the original date of purchase.

ONE YEAR CEDAR CABINET LIMITED WARRANTY

We warrant the natural cedar cabinet (when applicable) – to be free from defects in materials and workmanship for a period of one year from the original date of purchase.

Hydrotherapy Benefits

④ Stress Reduction

④ Exercise Soreness Recovery

④ Relieves Fibromyalgia Pain

④ Pain Management

④ Improves Sleep

④ Relieves Arthritis

Beyond Hydrotherapy...

Nordic's DTS™ Dual Therapy System combines **direct pressure therapy** with the benefit of all over **whirlpool therapy** to create the ultimate hydrotherapy experience.

RESTORE

Direct Pressure Therapy gives instant relief to tight and sore muscles.

Direct Pressure Therapy + Whirlpool Therapy

HEAL

Whirlpool Therapy

creates a powerful high-volume, all-over massage to help relax muscles, reduce lactic acid and minimize swelling and soreness.

 NORDIC HOT TUBS

A close-up photograph of a car's interior, focusing on the dashboard and center console area. The image shows a dark, textured surface with horizontal lines and a circular speaker grille with a silver center. The background is blurred, showing a light-colored, possibly fabric-covered surface.

ALL-IN-110V SERIES

CLASSIC SERIES

MODERN SERIES

SPORT SERIES

LUXURY SERIES

ALL-IN-110V SERIES

This value series is designed to be an easy “Plug N Play” hot tub while providing our exclusive *DTS™ (Dual Therapy System™) technology. The combination of high-volume whirlpool flow and targeted direct pressure jets provides the ultimate hot water therapy experience. The All-In-110V Series has installed standard features usually found in top-of-the-line models, such as: adjustable stainless-steel jets, LED lighting, ozone, GFCI cord and our *Nordic Wrap insulation.

CLASSIC SERIES

This series is what started the Nordic Passion! Classic round hot tubs provide our exclusive *DTS™ whirlpool therapy with comfortable barrier free seating. These models will fit most any need from size to depth and accommodate those wanting a simple hot water therapy solution at the best value. Adjustable stainless steel jetting and an LED light are standard in this series. Most models are convertible for 110V or 220V electrical hook ups and *MLP™ Mood Lighting Package is an option in this series.

MODERN SERIES

This series contains different shapes and sizes to fulfill anyone’s needs. With stylish and comfortable models, this series offers an array of seating capacity, depth, unique layout and all are convertible for 110V or 220V electrical hook ups. Whirlpool flow, *DTS™, adjustable stainless steel jetting and an LED light are standard in this series. *NLP™ Northern Light Package is an option in the Modern Series except the Bella.

SPORT EDITION

This series is for those that want more jet pressure in their hydrotherapy. These hot tubs are also found in the Modern Series but have increased horsepower to deliver the highest water flow available. Along with more hydrotherapy power, this series comes standard with our *NLP™ Northern Light Package and adjustable stainless steel jetting.

LUXURY SERIES

This series has all the features you want while keeping focus on simplicity and value. The hot tubs in this series have dual pump systems which provide the absolute best hydrotherapy available. Whirlpool flow *DTS™, adjustable stainless steel jetting and *NLP™ Northern Light Package are standard. Truly the top of the line and at a cost far less than the competitors, the Luxury Series value speaks for itself.
